

Application No. 10/002,102  
Supplemental Amendment

Customer No. 01933

Amendments to the Drawings:

Submitted herewith is an annotated sheet showing proposed amendments to Fig. 23A. Fig. 23A is amended to change reference numeral 29 to 291 and to add a straight pattern to sections 293 which is identical in the width of translucent sections and in the width of the shield sections to the straight pattern in section 291 but which is orthogonal to the pattern in section 291, as supported by the disclosure in the specification at page 52, lines 10-20.

Attachment: Annotated Sheet Showing Proposed Changes
